

[Webinar Link](#) | Dial-in Number: 1-415-655-0003, Attendee Access Code: 803 322 218

Purpose:

Join WECC at an information session on what to expect with the revised NERC Reliability Standard for low impact BES Cyber Systems.

Method:

WECC and its CIP-003-7 SMEs will provide an in-person forum at the WECC offices in Salt Lake City, as well as through Webinar, for an opportunity to review updates to CIP-003-7 (effective date: January 1, 2020).

Day 1—July 31, 2019, 1:00 p.m. to 5:00 p.m.

- 1. Welcome, Introductions - CIP-003-7 SMEs presenting 1:00 – 1:05 p.m.**
- 2. CIP-003-7 R1.2 Policies: 1:05 – 1:20 p.m. Holly Eddy**

For assets containing low impact BES Cyber Systems, entities will learn about required policy topics, including newly added Transient Cyber Assets and Removable Media code risk mitigation (R1.2.5) and declaring and responding to CIP Exceptional Circumstances (R1.2.6).

- 3. CIP-003-7 R2 Section 1 *Cyber Security Awareness*: 1:20 – 1:40 p.m. Domenic Darling**

WECC will review CIP-003-7 Attachment 1 Section 1 for cyber security awareness plans applicable to assets containing low impact BES Cyber Systems.

- 4. CIP-003-7 R2 Section 2 *Physical Security Controls*: 1:40 – 2:25 p.m. Brady Phelps**

WECC will review CIP-003-7 Attachment 1 Section 2 pursuant to controlling physical access to assets containing low impact BES Cyber Systems.

5. Break: 2:25 – 2:35 p.m.

**6. CIP-003-7 R2 Section 3 *Electronic Access Controls*: 2:35 – 3:20 p.m.
Morgan King**

WECC will review CIP-003-7 Attachment 1 Section 3 pursuant to implementing electronic access controls for necessary inbound and outbound electronic access and authenticating Dial-up Connectivity at assets containing low impact BES Cyber Systems.

7. CIP-003-7 R2 Section 4 *Cyber Security Incident Response*: 3:20 – 3:50 p.m. Josh Rowe

WECC will review CIP-003-7 Attachment 1 Section 4 pursuant to Cyber Security Incident response plans for low impact BES Cyber Systems.

8. Break: 3:50 PM – 4:00 PM

9. CIP-003-7 R2 Section 5 *Transient Cyber Asset and Removable Media Malicious Code Risk Mitigation*: 4:00 – 4:45 p.m. Holly Eddy

WECC will review CIP-003-7 Attachment 1 Section 5 pursuant to mitigating the risk of introduction of malicious code to low impact BES Cyber Systems through the use of Transient Cyber Assets and Removable Media.

10. Closing Comments & Adjourn: 4:45– 5:00 p.m.
