

StS – Studies Subcommittee

Webinar

1:00 p.m.—2:00 p.m., Thursday, September 30, 2021

The Changes in System Inertia Advisory Group met on Thursday, September 16, 2021, to review its Study Assessment report and request feedback and consideration of approval by the Studies Subcommittee (StS).

Please join us on Thursday, September 30, 2021, to address how the collected feedback was incorporated into the report. The group will also seek final approval from the StS at this time.
