

RAC – Reliability Assessment Committee Roundtable on FERC NOPRs

Virtual

10:00 a.m.–12:00 p.m. Mountain Time, Tuesday, August 16, 2022

FERC has released three notices of proposed rulemaking (NOPR) that could have an impact on the assessments being performed in the Western Interconnection. The RAC is holding this roundtable to enable RAC stakeholders to discuss these NOPRs prior to the due date of comments to FERC.

- FERC NOPR RM22-10-000 Transmission System Planning Performance Requirements for Extreme Weather
- FERC NOPR RM22-14-000 Improvements to Generator Interconnection Procedures and Agreements
- FERC NOPR RM21-17-000 Building for the Future Through Electric Regional Transmission Planning and Cost Allocation and Generator Interconnection
