

UFLSWG – Underfrequency Load Shedding Work Group

Virtual

2:00–3:30 p.m. Mountain Time, Tuesday, October 4, 2022

This meeting will recur on Tuesday every two weeks through November 1, 2022.

The UFLSWG biennially reviews the WECC Off-Nominal Frequency Load Shedding Plan (Plan) to help WECC Members meet their compliance obligation to evaluate the Plan’s consistency in accordance with NERC Reliability Standard PRC-006.
