

## 20-Year Planning Discussion

**Hybrid Meeting —WECC Offices**

**155 North 400 West, Suite 200**

**Salt Lake City, UT**

**8:00 a.m.–5:00 p.m. Mountain Time, Thursday, October 6, 2022**

Considering the interest both of the industry and regulatory agencies in longer-term planning (20-Year), the Reliability Assessment Committee (RAC) is hosting a meeting with the stakeholders to discuss the challenges and opportunities of the 20-year and beyond long-term planning. This meeting is being organized to facilitate the discussion and identify some potential approaches and activities the RAC could potentially undertake in the 20-year planning timeframe. Please attend and help shape how the RAC can respond to the needs of industry.

*For the health and safety of attendees, there will be reduced seating at this meeting. Please register before you make travel arrangements. If you plan to attend in person, please be respectful of others and their health and safety preferences. We ask that you do not attend if you are ill.*
