

Y10 and Y20 Extreme Cold Advisory Group

Virtual

1:00–2:00 p.m. Mountain Time, Wednesday, February 15, 2023

This meeting will recur every two weeks through December 20, 2023.

This Advisory Group meeting will focus on the continued development of the year 10 and year 20 extreme cold event assessment. This will include discussions regarding researching and gathering data, developing assumptions, running the model, and analyzing results.
