

PWG – Performance Work Group

Hybrid

155 North 400 West, Suite 200

Salt Lake City, UT

9:00 a.m.–5:00 p.m. Mountain Time, Tuesday, June 27, 2023

The PWG: supports all WECC members in their individual and combined efforts related to the operation of the Western Interconnection; identifies areas where improved Interconnection balancing control is desired, and recommends performance improvement activities; undertakes activities and assignments regarding investigation and analysis of Interconnection control performance; and provides a liaison link to the NERC Resources Subcommittee (RS) and report to RRC on NERC RS activities.
