March 17, 2020: WECC Letter to Stakeholders

March 13, 2020: WECC Letter to Stakeholders

March 2020: Guidance on Preparing Workplaces for COVID-19 (OSHA)

Ongoing: COVID-19 Information from Centers for Disease Control and Prevention Preparedness

Future Actions on Behalf of WECC

We will maintain a daily situation awareness about the spread of COVID-19 and future impacts to staff, stakeholders, and the reliability and security of the Western Interconnection. As the situation continues to develop, we may institute other changes and recommendations, which we will post to our website.
