

*The following is an example change request to function as a template for actual requests. Please complete the template with as much detail as possible. The SDWG Chair, Vice Chair, and the Compliance Coordinator can be contacted for assistance.*

*A SDWG member should submit the completed request by posting the document on the SDWG Team Site available at this [link](#).*

## Change Summary

---

Change the branches, connectors, and transformer last four order of seasons in base cases.

## Schedule

---

Incorporate language into DPM: For inclusion in 2023 DPM.

Start using the proposed order of seasons with the 2023 Base Case Compilation Schedule. Which typically begins in the fall of each year.

## Detailed Description

---

Change Ratings 5, 6, 7 and 8 to Spring Normal, Spring Emergency, Fall Normal and Fall Emergency from Fall Normal, Fall Emergency, Spring Normal and Spring Emergency.

## Benefits

Seems like a more logical order.

## Cost

The following “costs” may be incurred by completing the proposed DPM change request:

- Data Submitters will populate last four season ratings as proposed.
- Data Submitters will continue to populate first four seasons as they do currently.

### Alternatives

No alternatives from the proposed change exist, other than not changing.

### Proposed Edits

---

Proposing to change the order of the last four season ratings in base cases.

From

Rating 5 Fall Normal

Rating 6 Fall Emergency

Rating 7 Spring Normal

Rating 8 Spring Emergency

To

Rating 5 Spring Normal

Rating 6 Spring Emergency

Rating 7 Fall Normal

Rating 8 Fall Emergency

### Examples
