Organization Type (Generator/Other/QRE)	
User Full Name:	
User Phone:	
User Direct Email:	

This form is used to request access to a WREGIS organization that does not have any active users with manage organization privileges. By submitting this form, you are certifying that you have authorization to make this change to the organization and will be responsible for the following:

- Organization information updates;
- Billing email updates; and
- Creating and inactivating logins.

Manage organization privileges can only be assigned to direct employees of the organization. Third-party agents are not eligible for this user privilege.

Signature: _____
