

# Update on New Technical Committee Structure

September 29, 2021

Victoria Ravenscroft  
Sr. Policy & External Affairs Mngr.

# Technical Committee Proposal

---

- Approved at September Board meeting
- 5 Elements
  - JGC
  - Reliability Risk Committee
  - Committee Categorization
  - WECC support – project management
  - Metrics

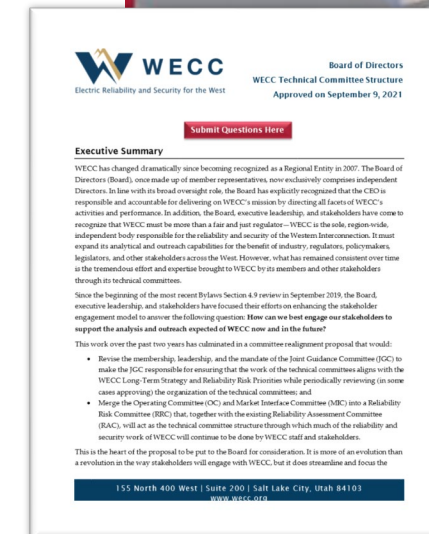

# Implementation

---

- Go live by end of Q1 2022
- Implementation plan underway
  - Internal work streams
  - Stakeholder involvement opportunities
- Major milestones
  - December 2021: several items presented to WECC Board for approval
  - January 2022: “New” JGC – new approach, collaboration, alignment
  - March 2022: First joint committee meetings of 2022

# Communication Commitment

- WECC is committed to excellent communication through the implementation process
- Information sharing, e.g., updates
  - WECC.org, WECC Weekly News, social media, periodic briefs, meetings
- Feedback, e.g., questions, comments
  - Meetings, [comments@wecc.org](mailto:comments@wecc.org)
- Participation, e.g., focus group
  - Dedicated space to share opportunities for stakeholders to participate
