

Transmission Expansion Planning Policy Committee (TEPPC)

Parent	BOD
Liaison	Byron Woertz
Description	TEPPC has four main functions: 1) oversee and maintain public databases for transmission planning; 2) develop, implement, and coordinate planning processes and policy; 3) conduct transmission planning studies; and 4) prepare Interconnection-wide transmission plans. See the System Adequacy page for transmission plans, scenario planning, datasets and more work products.

TEPPC was eliminated after the Board of Directors approved the dissolution of the Transmission Expansion Planning Policy Committee (TEPPC) in September 2017.

Documents will remain on the WECC website in accordance with the Document Retention Policy.
