WECC-0137 through WECC-0140 Drafting Team Assignments

On June 18, 2019, the WECC Standards Committee (WSC) approved the following drafting team assignments. Per the WECC Reliability Standards Development Procedures, names of the drafting team members are posted at the associated project home page on the *Drafting Team Members* accordion.

WECC-0137 and WECC-0139

Name
Marylin Franz, NV Energy
Kathee Downey, PacifiCorp
Andy Meyers, Bonneville Power Administration ^[1] (Chair)

WECC-0138 PRC-006-3, Automatic Underfrequency Load Shedding

Name
Jay Largo, Bonneville Power Administration
Diana Carlson, Idaho Power
Hari Singh, Xcel
Gary Keena, Northwest Power Pool

Kent Bolton, Western Electricity Coordinating Council (Chair)

WECC-0140 Reliability Standards Development Procedures

Name
Steven Rueckert, Western Electricity Coordinating Council (Chair)
W. Shannon Black, Western Electricity Coordinating Council
Donovan Crane, Western Electricity Coordinating Council

Thank you for your continued support of the standards and criteria development process.

W. Shannon Black

WECC Consultant, Standards Processes

(503) 307-5782
