Regional Reliability Standards Announcement

Western Electricity Coordinating Council Reliability Standards Development Procedure

Comment Period Open through April 2, 2021

[Now Available](#)

The proposed **Western Electricity Coordinating Council Reliability Standards Development Procedure (WECC RSDP)** is posted for a 45-day comment period through **8 p.m. Eastern, Friday, April 2, 2021**.

Regional Reliability Standards development procedures, such as the WECC RSDP, define a Regional Entity's process for development, revision, reaffirmation, and withdrawal of a Regional Reliability Standard.

Commenting

Use the [Standards Balloting and Commenting System \(SBS\)](#) to submit comments. An unofficial Word version of the comment form is posted on the [Regional Reliability Standards Under Development](#) page.

- Contact NERC IT support directly at <https://support.nerc.net/> (Monday – Friday, 8 a.m. - 5 p.m. Eastern) for problems regarding accessing the SBS due to a forgotten password, incorrect credential error messages, or system lock-out.
- Passwords expire every **6 months** and must be reset.
- The SBS **is not** supported for use on mobile devices.
- Please be mindful of ballot and comment period closing dates. We ask to **allow at least 48 hours** for NERC support staff to assist with inquiries. Therefore, it is recommended that users try logging into their SBS accounts **prior to the last day** of a comment/ballot period.

Rules of Procedure

The NERC public notice and comment requirements for Regional Reliability Standards development procedures are described in [NERC's Rules of Procedure of the Electric Reliability Organization](#), Section 311.2.
