WECC-0140 Reliability Standards Development Procedures Update - Notice of Ballot

On October 22, 2020, the WECC Standards Committee (WSC) approved the following project for ballot:

- [WECC-0140 Reliability Standards Development Procedures Update for 2020](#)

This Project is a cyclical review and specifically: 1) incorporates WECC Guideline – Responses to Comments Received During Ballot, 2) incorporates WECC Guideline – Drafting Team Assignments, and 3) updates the document template. This project generally reviewed all aspects of the Procedures to enhance readability.

Per the WECC Reliability Standards Development Procedures, the following dates will apply to the balloting process:

- Ballot Pool to Open: November 2, 2020
- Ballot Pool Closes: November 16, 2020
- Standards Briefing: November 17, 2020
- Ballot Opens: November 18, 2020
- Ballot Closes: December 2, 2020

Details regarding the Standards Briefing will be provided separately. This project is targeted for presentation to the WSC in December 2020.

You can join the Ballot Body and Ballot Pools from the [WECC Regional Standards Voting Page](#). You must be a member of the Ballot Body to join any Ballot Pool.

If you have questions regarding procedure or documents, please contact [W. Shannon Black](#) at (503) 307-5782.

If you have questions regarding joining the Ballot Pool or Ballot Body, please contact [Donovan Crane](#) at (435) 890-7387
