

WREGIS Account Holders can reset their passwords if the password has expired, been forgotten, or if they believe the security of the password has been compromised. To do so, the user must have previously created a security question and answer. If you have trouble resetting your own password, contact the WREGIS Helpdesk (wregishelp@wecc.org) for assistance.

Resetting Your WREGIS Password

Step One:

Click the Gold **WREGIS LOGIN** button (left-center page).

Western Renewable Energy Generation Info

WREGIS is an independent, web-based tracking system for re
