Nominating Committee Elections

The Nominating Committee will begin selecting candidates for election to the WECC Board of Directors. Elections should take place no later than September 2021. Interested candidates should click [here](#), to learn more and to apply.

Version 3 of the SETF Straw Proposal

The Stakeholder Engagement Task Force (SETF) has released [Version 3 of the SETF Straw Proposal](#). The first two comment periods helped the SETF understand stakeholder perspectives and concerns, and the SETF incorporated that feedback into Version 3. Join us at a [stakeholder workshop](#) to discuss the new version and help build the framework for the

Align

Align Training

Align and the Secure Evidence Locker (SEL) are being released in three phases. WECC will provide training for entities before each release. The first training is specific to Release 1 and covers self-reports, enforcement processing, and mitigation plans. WECC is offering in-depth training for its entities, designed for personnel who support these activities.

The [sessions](#) will have interactive activities in which stakeholders will explore the technology in real-time while being coached by WECC's regional training leads. The content of each session will be identical, so participants only need to attend a single training session per release. For the latest Align newsletter, [click here](#). For updates on the trainings, check the [Align webpage](#). [Click here](#) for the latest Align newsletter for Registered Entities.
