

PDS Reporting Guide

This guide provides instructions for completing PDS in Align. Contact <u>support@wecc.org</u> with additional questions.

User Access

Respondents must have an ERO Portal account with the Align Submitter role. Entity admins manage permissions and roles within the ERO Portal. See the <u>Align User Guide</u> for more information.

Initiating a PDS

WECC will initiate PDS in accordance with the <u>submittal schedule</u>. Only users with the Align Submitter role when the PDS is posted will be able to respond. WECC encourages entities to determine in advance which eligible user will complete reporting.

Entities can initiate PDS for applicable standards by selecting the Create PDS tab within Align.
