System Operator Certification Program Announcement—New Exam Delivery Vendor

Click here for: [Announcement](#) | [Transition Timeline](#) | [Frequently Asked Questions](#)

ATLANTA – NERC’s System Operator Certification Program is moving to Pearson VUE as the new exam delivery vendor on March 25, 2025. Pearson VUE offers superior customer service and substantially more exam center locations in the United States and Canada. Candidates can begin scheduling exams with Pearson VUE at 12:00 p.m. Eastern on March 25.

What Will Change

With the move to the Pearson VUE, candidates will be able to access the exam scheduling link in their SOCCED (System Operator Certification Credential Maintenance Database) account. This link will be available in SOCCED following exam payment. After the candidate has scheduled an exam appointment with Pearson VUE, the candidate’s exam date and location will also be shown in their SOCCED account. Rescheduling and cancellations can be completed through the same link or by calling Pearson VUE. Pearson VUE will send a confirmation email to the candidate following successful scheduling of an exam appointment.

See the [System Operator Certification & Credential Maintenance Program](#) for additional program information.
