## E-ISAC Electricity Security Service Award Nominations Now Open

**GRIDSECCON 2025**  
**NERC • E-ISAC • WECC**  
**OCTOBER 7 – 10, 2025**  
**MGM GRAND • LAS VEGAS**

**WASHINGTON D.C.** – NERC and the E-ISAC are pleased to announce that nominations for the 2025 E-ISAC Electricity Security Service Award, named in honor of Michael J. Assante, are now open. This prestigious award recognizes individuals or teams who have significantly strengthened the security of the North American electric industry through dedication, innovation, and leadership.

Qualified nominees should embody the spirit of Michael J. Assante by:

- Unwavering dedication to identifying and addressing industry security threats
- Advancing industry security through information sharing, education, awareness, and unique insights
- Fostering partnerships and collaboration within the industry and external stakeholders
- Providing robust leadership to the electric sector and the broader community
- Demonstrating overall impact on electric industry security

Important Dates:

- Nominations close Monday, August 11, 2025, at 11:59 p.m. Eastern
- Winner notified by September 5, 2025
- Winner announced at GridSecCon 2025 on October 9
