

## **SRS – System Review Subcommittee**

### **Virtual**

**10:00 a.m.–12:00 p.m. Mountain Time, Thursday, October 10, 2024**

**Please note that there is not a meeting on September 12 or November 14. Please check your calendar and remove if necessary.**

The SRS develops, implements, and monitors guidelines and policies for the development of interconnection-wide power flow and dynamics stability cases that support RAC's reliability assessments and WECC members' ability to meet requirements of NERC Standards.
