**MEMO**

Date: July 2, 2016  
To: Reliability Planning Stakeholders  
Subject: 2026 Common Case Version 1.0

WECC has temporarily removed the 2026 Common Case release package to correct the files included in the package. We expect to have the problem corrected and the package reposted no later than July 5, 2016.

We apologize for any inconvenience this may have caused.
