

## Control Work Group (CWG)

<b>Parent</b>	TOS
<b>Liaison</b>	Evan Paull
<b>Description</b>	Supports the TOS in areas concerning system and generator control. Reviews, evaluates, and develops control practices, guides, procedures, standards, etc., to aid members of WECC in maintaining and improving reliability.

CWG was eliminated after the Board of Directors approved the Operating Committee (OC) Organizational Structure Review Task Force (OSRTF) report in December 2016.

Documents will remain on the WECC website in accordance with the Document Retention Policy. The following items can be found by clicking the related link.
