 - A significant majority (72%) is satisfied with the links to studies.
 - Communications with MAC members: Website update underway, current practice is to consolidate info in emails from Chair and staff, weekly WECC emails are well read.
- Uncertain results:
 - Should we continue the rotating assignment for the MAC meeting summary? (50% respond yes, but less than ¼ routinely communicate with their class)
 - Do we want to move forward with a survey from MAC to members? (Equal percentage responded no/uncertain as those who responded yes.)
