

Market Interface Committee (MIC)

Parent	Board of Directors
Liaison	Layne Brown
Description	The MIC advises and makes recommendations to the Board of Directors on the development of consistent market interface practices and compatible commercial practices in the Western Interconnection.

Disbanded after the approval of the Stakeholder Engagement Task Force efforts, calling for the formation of the Reliability Risk Committee.

Documents will remain on the WECC website in accordance with the Document Retention Policy. The following items can be found by clicking the related link.
