

Substation Work Group (SSWG)

Parent	TOS
Liaison	Evan Paull
Description	Recommends and monitors the planning, design, operation, maintenance, and documentation of substations essential to the reliable operation of the Bulk Electric System and WECC's member electrical systems.

SSWG was eliminated after the Board of Directors approved the Operating Committee (OC) Organizational Structure Review Task Force (OSRTF) report in December 2016.

Documents will remain on the WECC website in accordance with the Document Retention Policy. The following items can be found by clicking the related link.
