

Scenarios Work Group (SWG)

Parent	StS
Liaison	Bhavana Katyal
Description	The SWG described plausible futures in which potential reliability risks could arise and sets the context for WECC reliability assessment activities in the 10-20 year planning horizon.

Merged to StS as part of the JGC Committee Categorization Review.

Documents will remain on the WECC website in accordance with the Document Retention Policy. The following items can be found by clicking the related link.
