

WREGIS Updates

Jillian Lessner

Chief Financial and Administrative Officer

**Electric Reliability
& Security for the West**

September 9, 2025

Stakeholder Comment Period

- Opened August 1 and closed August 29
- Primary purpose—gather stakeholder feedback on [recommended corporate structure and governance](#) for WREGIS as a stand-alone, independent entity
- 11 sets of comments received
- Major themes:
 - Concern about proceeding with separation too soon and benefits relative to risks
 - Support for a non-profit with a hybrid board and stakeholder advisory group; stakeholder engagement and transparency is critical
 - Maintenance of institutional knowledge, data integrity, software functionality and service during and after software transition
 - Prioritization of features and robust user testing
 - Financial prudence and cost containment; value for fees paid
- More opportunity for engagement and comment going forward as we work through details

Request for Proposal

- RFP issued August 1 and responses were due August 29
- August 14—pre-proposal conference held for NDA signatories
 - 20 companies represented by 37 attendees
 - Opportunity for questions and clarification on the project
- Week of August 25—numerous calls scheduled with vendors for Q&A and additional clarity
- 15 proposals received—two finalists selected for detailed presentation
 - WREGIS Committee members invited to final presentations (subject to NDA)
- Proposals to be discussed with WECC Board next week
- Award will be announced on or around October 1, pending contract negotiations

WECC Board Meetings

- September 17
 - Open Session (12:45 – 3:30 pm Mountain):
 - Governance and Structure Recommendations
 - Overview of initial stakeholder comments and feedback
 - Board discussion on recommendations
 - Plans for refinement of recommendations and further stakeholder engagement
 - Draft annual budget for WREGIS as a stand-alone entity
 - Closed Session:
 - Top RFP responses presented
 - Board approval of authority for WECC to contract with a vendor
- December 9-10
 - Discuss feedback on refined recommendations on governance and structure and, if appropriate, present recommendation to Board for possible approval
