WECC Technical Committees
WECC Member Representatives
WECC Stakeholders

Subject: WECC 2024 Armando J. Perez Outstanding Contributor Award

WECC has been built on the considerable efforts of its broad group of stakeholders. We could not achieve our mission without strong partnerships. Each year WECC recognizes an individual or group who demonstrated commitment and support in delivering WECC's reliability and security goals in the preceding year. This annual award allows us to recognize and celebrate outstanding contributions. Recent recipients of the award are:

2023 – Western Interconnection Compliance Forum
2022 – Chelsea Loomis, Western Power Pool
2021 – Jonathan Aust, Western Area Power Administration
2020 – Chifong Thomas, SmartWires
2019 – Peter Mackin, GridBright

WECC is now soliciting nominations for the distinguished Armando J. Perez Outstanding Contributor of 2024, to be presented at the Annual Members dinner on September 17, 2025.

Please use the attached form to submit your nomination to Brittany Huggins (bhuggins@wecc.org) by 5:00 p.m. Mountain Time on Friday, August 14, 2025. Include a brief summary of the contributions made by the individual or group of contributors that qualify your nominee for the award.

Thank you in advance for your time and consideration. Your help in the award process is greatly appreciated.

Sincerely,

Melanie M. Frye
President and Chief Executive Officer
Attached: OCA Nomination Form

Outstanding Contributor Award Nomination

Please nominate an individual or group that made significant contributions to WECC's goals and objectives in 2024. The nominee will be eligible for the Armando J. Perez Outstanding Contributor Award and the award winner will be honored during the Annual Members dinner on September 17, 2025.

Instructions: Fill out the form fields and save the document. Email the form to bhuggins@wecc.org by August 14, 2025.
