4. Review and Approve Previous Meeting Minutes

Chris Leyerle introduced the minutes from January 7, 2025.

By unanimous consent, the WREGIS SAC approved the minutes.

5. WREGIS Staff—Updates

Jennifer Brander stated,

- There was a formatting issue with the report download feature that was resolved on January 30. If a customer has pending reports for compliance, please contact WREGIS.
- The 2025 first full release for WREGIS occurred yesterday. The release included,
 - Filtering improvements for e-Tags.
 - Programs may add eligibility information for DG Groups.
 - Additional validation for data entry on the generator form.
- The vendor is still working through a number of generators affected by the remainders issue (3 RECs or less). If waiting to submit a compliance report due to generators affected by the remainders issue, please contact WREGIS.
- The Hourly Generation Working Group is on hold due to higher-priority issues. Members in the group will receive updated communication when WREGIS is ready to restart discussions.
