
MAC Candidate Statement of Qualifications

As a MAC candidate, you are encouraged to give WECC Members a brief statement of qualifications. Your statement will be given to members before the MAC election, which will start on August 3, 2026, and conclude August 28, 2026. Results will be announced at the WECC Annual Meeting on September 15, 2026. Please complete and return this form to Brittany Huggins, bhuggins@wecc.org, no later than **July 27, 2026**, for presentation to WECC Members.

1. My name: Petra Wallace (submitted by Daniel Beans)
2. I am a candidate for the MAC in Member Class 2.
3. My qualifications for this position are as follows: (State your qualifications below or attach a resume to this form. Include relevant employment and positions held, previous service at WECC, and any other items that qualify you to serve on the MAC.)

On behalf of Roseville Electric Utility, I am pleased to nominate Petra Wallace as a Class 2 representative on the WECC Member Advisory Committee. Throughout her career in public power, Petra has built a reputation as a trusted leader in power supply, resource planning, risk management, regulatory compliance, and strategic planning. As our Power Supply and Portfolio Manager, she oversees integrated resource planning, portfolio management, procurement, budgeting, and market strategy.

In previous roles, Petra led our risk management and compliance programs, built our Enterprise Risk Management framework from the ground up, and established governance processes for new power supply products. Across each of these efforts, she has shown a consistent ability to untangle complex industry issues, bring diverse stakeholders to consensus, and craft practical solutions that balance reliability, affordability, and long-term sustainability.

As the electric industry undergoes significant transformation, WECC's Member Advisory Committee has taken on growing importance in ensuring member perspectives inform Board discussions. Petra's collaborative style, strategic thinking, and deep knowledge of Western power markets make her exceptionally well-suited for this role. I am confident she will represent Class 2 members thoughtfully and effectively while contributing meaningfully to the Committee's work. I fully support her nomination and respectfully ask for your consideration.
