1 Introduction

The WECC-approved Preschedule Calendar Guideline enables all entities doing business with WECC to schedule within the same parameters. This guideline will provide direction for the preparation of the annual Preschedule Calendar, including scheduling around holidays and new months. For weeks with holidays or new months, the Preschedule Calendar will be prepared to better align gas and power scheduling days in accordance with the guidelines below.

2 Standard Scheduling Holidays for the Western Interconnection

- a. New Year's Day
- b. Martin Luther King Jr. Day
- c. Presidents Day (Washington's Birthday)
- d. Good Friday
- e. Memorial Day
- f. Juneteenth
- g. Independence Day
- h. Labor Day
- i. Indigenous Peoples Day
- j. Veterans Day
- k. Thanksgiving Day
- l. Friday after Thanksgiving
- m. Christmas Eve
- n. Christmas Day

3 Guidelines

1. No more than two days are required to be scheduled on a single day unless more is made practicable by the occurrence of a Standard Scheduling Holiday and/or a new month. At no point will more than three days be scheduled on a single day, as determined by the guidelines that follow.
2. A week without a holiday or new month is typically scheduled as 1/1/1/2/2 (Tue/Wed/Thu/Fri-Sat/Sun-Mon).
3. When a holiday falls on a Monday, schedule 2/2/2 (Thu-Fri/Sat-Sun/Mon-Tue) on the Wednesday-Friday of the preceding week.
4. When a holiday falls on a Tuesday, schedule two days on the preceding Monday.
5. When a holiday falls on a Wednesday, schedule two days on the preceding Tuesday.
6. When a holiday falls on a Thursday, schedule 2/0/3 (Thu-Fri/off/Sat-Sun-Mon). Thanksgiving will be scheduled as 2/2/3 (Tue-Wed/Thu-Fri/Sat-Sun-Mon) unless a different schedule is needed due to a new month.

7. When Christmas Eve falls on a Friday, holidays are observed on Thursday and Friday. Schedule similar to Thanksgiving 2/2/3, (Tues-Wed/Thurs-Fri/Sat-Sun-Mon) on the Monday through Wednesday preceding the holiday.

When Christmas Eve falls on a Saturday, holidays are observed on Friday and Monday. Schedule 2/2/3, (Wed-Thurs/Fri-Sat/Sun-Mon-Tue) on the Tuesday through Thursday preceding the holiday.

When Christmas Eve falls on a Sunday, holidays are observed Monday and Tuesday of the following week. Schedule 2/2/3, (Thurs-Fri/Sat-Sun/Mon-Tues-Wed) on the Wednesday through Friday preceding the holiday.

8. When a holiday falls on a Friday, schedule 1/2/2/2 (Tue/Wed-Thu/Fri-Sat/Sun-Mon) during that week.
9. When a new month begins on a Saturday, schedule 2/1/2 (Thu-Fri/Sat/Sun-Mon) from Wednesday-Friday of the preceding week.
10. When a new month begins on a Monday, schedule 2/2/1 (Thu-Fri/Sat-Sun/Mon) from Wednesday-Friday of the preceding week.
11. When a new month and a holiday fall on a Monday, schedule 2/2/2 (Thu-Fri/Sat-Sun/Mon-Tue) from Wednesday-Friday of the preceding week.
12. When a new month falls on Sunday and the holiday is observed on Monday, schedule 2/3 (Fri-Sat/Sun-Mon-Tue) on Thursday-Friday of the preceding week.
13. When a new month falls on Saturday and the holiday is observed on Friday, schedule 2/3 (Thu-Fri/Sat-Sun-Mon) on Wednesday-Thursday of the preceding week.
14. When a new month begins on a Friday and holiday falls on Monday, schedule 2/3 (Fri-Sat/Sun-Mon-Tue) on Thursday-Friday of the preceding week.
15. When a holiday falls on Monday and new month begins on Tuesday, schedule 2/2/1 (Fri-Sat/Sun-Mon/Tue) on Wednesday-Friday of the preceding week.

Please note that these guidelines do not detail every scheduling possibility. For example, the start of a new month or two holidays in a row may require an adjustment. Those preparing the Preschedule Calendar should use their best judgment to develop a schedule that combines:

- Scheduling two days on single day when possible
- Minimizing the required scheduling of three days on a single day
- Minimizing the number of days on which multiple days are scheduled
- Scheduling new months separately
- Aligning gas and power scheduling days only on holidays and new months when possible

4 Process for Creating Yearly Preschedule Calendar

1. The yearly Preschedule Calendar will be drafted using this guideline.

2. To ensure orderly system and software changes, the yearly Preschedule Calendar must be posted on WECC’s website no later than October 1 of the preceding year.
3. In addition to the listed holidays in this guideline, the membership will have the option annually to include a day for a Schedulers Meeting. This meeting should be limited to Tuesday or Wednesday of a non-holiday week.
