**Subject: ZGlobal 2024 Annual Progress Report**

In accordance with the WECC Progress Report Policies and Procedures, ZGlobal submits its 2024 Annual Progress Report. These planned facility modifications and additions are in conformance with NERC Standards and the WECC “Project Coordination, Path Rating, and Progress Report Processes” guideline. These projects do not have regional impacts to the WECC Interconnected System.

**Description:** The Path 42 Rating Increase project is owned by Imperial Irrigation District. It includes Mirage 230kV to Coachella 230kv, and Mirage 230kV to Ramon 230kV transmission.

**Status:** In 2023 it was approved for Phase 3 status effective Jan 1, 2024, for a path rating increase to 1,115 MW, subject to approval of IID’s modified Path 42 RAS which is expected in 2024.

**Planned Operating Date:** 2024

Respectfully submitted,

**David Frederick**
