

## **Notice of Approval Without a Ballot**

*WECC-0144 INT-020-WECC-CRT-2.1 Interchange Schedule Backup Five-year Review - [Redline](#)*

*WECC-0145 INT-021-WECC-CRT-2.2 WECC Interchange Tool Checkout Confirmation Five-year Review - [Redline](#)*

On June 15, 2021, the WECC Standards Committee (WSC) reviewed proposed changes to the above projects and concluded no further action was required because neither project entailed any substantive change.

On March 17, 2021, the single drafting team developing these projects concluded a five-year review of both projects. Both projects were posted for comment; neither received a request for substantive change.
