Reminder to Cast Vote Today for Project WECC-0157

Happy Monday,

If you are receiving this email, it means that you are a member of the WECC-0157: PRC-006-5 Automatic Underfrequency Load Shedding, Update to the WECC Regional Variance Ballot Pool but have not yet cast your vote.

In order for us to have a valid Ballot we need to reach a quorum from those that have registered to participate in the Ballot Pool.

The Ballot closes Today April 6th at 6:00 p.m. Mountain Daylight Time.

Please [log into the wecc.org website](#), navigate to the [Standards Voting Page](#), Open the "Cast Your Vote" accordion and click the [WECC-0157 Ballot button](#) to cast your vote. Remember that this must be done for each sector that you registered for.

If you see the error that states “You are not authorized to access this page” that means you are either not logged in or have not logged in using the account that you registered for the Ballot Pool with

If there are any questions or issues as you try to cast your vote today, please reach out and we will help to get your vote cast.

Thank you so much for your participation in the Standards Development Process at WECC.
