Standards Voting

WECC develops and implements Regional Reliability Standards and WECC Regional Criteria in line with the Reliability Standards Development Procedures. Before being submitted to the WECC Board of Directors for approval, these Standards and Criteria must first be approved by a vote of registered members of the Ballot Pool.

If you have any questions or need assistance with the voting process, please contact Administrative Services at 1-877-937-9722 or email support@wecc.org.
